

Lotus TechJam II

AN IBM TECHNICAL EXPLORATION OF LOTUS SOFTWARE

Date: 2nd September 2008

Time: 10:00 AM – 4:00 PM

Location: IBM Lotus Park, Staines

INTRODUCTION

Following on from the success of the first Lotus TechJam, you are invited to IBM Lotus Park for our second 'for techies, by techies' Lotus event.

The event will cover the following topics, and will be delivered by a team of Lotus technical experts from the UK and Europe.

- General Lotus Update - the technical vision
- Websphere Portal - a view from the Böblingen Labs
- Mainsoft - Lotus and Microsoft SharePoint Coexistence
- Lotus Connections - Under the hood
- Unified Communication & Collaboration (UC²) Demo - linking Sametime with VoIP
- Mashups - what the heck is it? How can it help me?

OBJECTIVE

The objective of the day is to allow technical employees to get a deeper understanding of Lotus' products, learn best practices for installation, administration and development, and also have a sneak technical preview to what's coming in the near future...

AUDIENCE

This TechJam is aimed at techies, involved in any form of collaboration or communication. This includes Lotus Notes administrators and developers, network managers, and anyone else with a technical interest in IBM Lotus software.

COST

This event is offered free of charge. Complimentary refreshments and lunch will be provided. However, participants are responsible for their own business travel expenses.

SCHEDULE

For your convenience, registration will begin at 9:30 AM. The session will start at 10:00 AM and end at approximately 4:00 PM.

Visit <http://www-05.ibm.com/uk/locations/lotus.html> for directions. There is plenty of visitors car parking available on site.

On arrival at Lotus Park, please sign in at main reception. An IBM representative will then show you to the Executive Briefing Centre, where the event is taking place.
