IBM Lotus Notes and Domino 8.5 Upgrade Workshop

AN IBM PROOF OF TECHNOLOGY

Date: June 18th and 2nd July

Time: 9:00am – 5:00pm

Location: Lotus Park, Staines , UK

INTRODUCTION

Presentations and Practical assistance in a 1 day Version to Version Workshop, with materials focusing on Notes® end user, Domino® Administration, and Domino Application Development enhancements in version 8.5.

OBJECTIVE

The Notes & Domino 8.5 Upgrade is intended to provide the customer with an in-depth examination of the new capabilities of version 8.5. For existing customers, this exploration will help them assess the additional value and potential impact to their existing environment. For new customers, this exploration will not only give them a hands-on experience with a product new to them but it will also reinforce our advantages over the competition, such as the power of applications. At the conclusion of the workshop, the customer will leave with an excitement about the business problems this new version can help solve.

AUDIENCE

This Version to Version Workshop is targeted for IT Managers, Application Developers, System Administrators and Architects evaluating IBM® Lotus Notes® / Domino. No prerequisite knowledge of Notes or Domino is required; however, it is recommended that participants have an understanding of their business needs and current IT technologies.

COST

This session is offered free of charge. Complimentary refreshments and lunch will be provided. However, participants are responsible for their own business travel expenses.

SCHEDULE

For your convenience, registration will begin at 9:00 am. The session will start at 9:30 am and end at approximately 5:00 pm.
